Municipal Services Company

Avitar Clerk Electronic Invoice Presentment & Payment

Avitar and Invoice Cloud have partnered to provide seamless integration between Avitar's Clerk/Motor Vehicle system and Invoice Cloud's web based Electronic Invoicing Presentment and Processing (EIPP) portal which allows customers to access renewal notices online and make payments over the Internet.

Pay and/or View Bills Online

The Town of Canterbury is excited to offer residents an easy and convenient method to view and pay Dog License and Motor Vehicle Registration Bills Online.

Fast and Easy. No registration required for "One Time Pay", the fastest way to pay online and confirm payment.

Safe and Secure. Your information is kept confidential & is 100% secure, backed by the highest security standards.

Eco-Friendly. Paying online reduces paper use and is an easy way to help the environment.

- Once a month, motor vehicle renewal information is exported by the municipality from the Avitar Clerk/Motor Vehicle system and imported directly to the Invoice Cloud portal.
- The Invoice Cloud service is a cloud (software as a service) application, which houses the sensitive payment (ACH and credit card) information off site.

Pay Now ➔

You may continue to look for more Invoices to add and pay. Please click the "Select More Invoices" button above to be returned to your previous page.

Additional invoices must be of the same type. If you wish to add a different type of invoice your current selections will be cleared at that time.

You must register to take advantage of the extended benefits below:

- Review Invoice History
- Review Payment History
- Go Paperless
- Schedule Automatic Payments
- Pay With Previously Saved Remittance Information

No registration is required to "Pay Now" with One Time Pay.

One Time Pay is the fastest way to make a payment, but your payment information will not be saved for future payments.

- The Clerk is able to download payment files containing payment and vehicle renewal information from Invoice Cloud with which transactions are processed in Avitar Clerk/MV.
- The municipality receives 100% of the fees due and there is no transaction charge to the municipality for the electronic payment. Customers are charged a convenience fee for using the service which is clearly presented to customers prior to the completion of the transaction.
- Avitar charges a nominal one-time set-up charge to configure the web site, install the export functionality, configure the payment gateway, and provide initial training.

Contact Avitar...

Avitar Associates is a New Hampshire based corporation specializing in Municipal Services for the State of New Hampshire since 1986. Over that period, Avitar has developed numerous software applications in response to the unique needs of New Hampshire municipalities. We strive to make our software simple enough for the occasional user while at the same time sophisticated enough to meet the diverse needs of all our communities.

Avitar's software development team develops and supports all software in-house specifically for New Hampshire municipalities. We take great pride in our reputation for unparalleled software support and for continually updating and enhancing our applications to reflect input from our users. We are happy to schedule a complete demonstration of any program in our suite of municipal software applications.
